You've got to be kidding me – this is inline and not custom! Since when did inline casegoods include granite tops? Not to mention the custom granite block on the front corners of all case pieces and the headboard trimmed in granite. Also did you notice the high styled piece of custom hardware - fabricated with stainless steel and granite. Galaxy is definitely from another planet! The warm cherry veneers in hardwood solids make it earth friendly. For those with a more adventurous side, there is the Stardust alternate achieved with Sycamore veneers and a custom pearl essence finish. Galaxy truly is an art deco style from another world. Your room furniture can also make your hotel look like a “W” with Galaxy.

- Cherry veneers and hardwood solids.
- Polished chrome and granite hardware.
