santa fe

The Santa Fe collection by SLH is related to its rustic kin- Bryce Canyon. However, Santa Fe is made of hardened prime oak veneers and hardwood solids. Not only is Santa Fe at home in a sophisticated lodge, it is equally comfortable living with the original Marlboro man in the bunk house of long ago. Any furniture is destructible but with the Santa Fe, you will need a stampede to do notable damage.

- Hardened prime oak veneer and hardwood solids.
- Dovetail drawer Box.
- Heavy-duty ball bearing and full extension drawer glides.
- Screwed on and recessed back panels.
- Choice of sunburst veneer headboard or custom vinyl.
- Upholstered headboard with accent nail head trim.
