# Statesman

Perhaps the most well known Statesman of all was Sir Winston Churchill. Churchill, can be remembered for saying; "History marches to the drum of a clear idea." And that is what the Statesman collection does best. It clearly offers a traditional design – scaled to today's pace of refinement and simplicity. Among other things, each piece is built around a sculptured leg or foot, shaped on all four sides. All drawer fronts are framed with transitional trim moldings. This collection features cherry veneers on hardwood solids and is offered in a warm traditional finish or in an exciting Merlot finish. Don't overlook the hardware pulls trimmed with black accents. Statesman, a clear idea of what traditional furniture should be in the Twentieth century.

- Cherry veneers and hardwood solids.
- Satin nickel hardware and black accents.
- Custom hardware.
- Heavy-duty ball bearing and full-extension drawer glides.
- English dovetail drawer box.
- Laminated drawer bottoms.
- Screwed on and recessed back panels.
- Wooden wall mounts for headboards.
