VERANDA

VERANDA, as in the cool quiet shady recesses of a wonderful resort villa. An escape to the era of graceful easy living at a more civilized pace. If that is what your property wants - then the Veranda collection is worthy of consideration. Veranda is custom designed for a sophisticated, contemporary resort. It is made from a combination of contract grade crushed bamboo, mixed hardwood solids, and combined with spiral nautilus hardware and crescent shaped cutouts at the base of each casepiece.

- Primavera veneers, hardwood solids and crushed bamboo drawer fronts.
- Crescent shaped cutouts and satin ferrules at the base.
- Heavy-duty ball bearing and full extension drawer glides.
- English dovetail drawer box.
- Laminated drawer bottoms.
- Screwed on and recessed back panels.
- Wooden wall mounts for headboards.
