Wendover

Just when you thought that you have seen it all – here's Wendover. The perfect transitional just got better! The ultimate blend of traditional elements combined with a contemporary flare and finish. Vivacious curves in the headboards and mirrors are combined with an oversized keystone that accents the layers of molding. All case pieces are framed in dramatic moldings with the inside bead finished in black throughout the collection. The finish is a smoky plum finish and is accented with a custom piece of hardware of black chrome. The final touch was saved for the desk legs which have both a black chrome cap on the top of the leg and a black chrome ferrule for a foot. Wendover offers solid quality with:

- Arched concave headboard and mirror with pronounced keystone.
- White birch veneers and solids framed with oversized moldings and accented throughout with an interior black bead.
- English dovetail drawers.
- Custom smoky plum finish and custom black chrome accents and hardware throughout.
- Wilson Art tops; solid lumber edges.
- Full extension heavy-duty ball bearing drawer glides.
- Screwed on and recessed back panels.
